# Contents of Human Development Report 2000

#### **OVERVIEW**

Human rights and human development—for freedom and solidarity

# UNIVERSAL DECLARATION OF HUMAN RIGHTS GLOSSARY ON HUMAN RIGHTS AND HUMAN DEVELOPMENT

### **CHAPTER ONE**

### Human rights and human development

Common motivation and basic compatibility

What human rights add to human development

What human development adds to human rights

The nature of duties associated with human rights

# THE ONGOING GLOBAL STRUGGLE FOR HUMAN RIGHTS

#### **CHAPTER TWO**

## Struggles for human freedoms

The struggle continues

Freedom from discrimination—for equality

Freedom from want—for a decent standard of living

Freedom for the realization of one's human potential

Freedom from fear—with no threats to personal security

Freedom from injustice

Freedom of participation, expression and association

Freedom for decent work—without exploitation

Emerging issues in human rights

Annex Growing commitment to human rights

## **CHAPTER THREE**

## Inclusive democracy secures rights

The link between human rights and democracy

How and why some "democracies" harm human rights

Policy responses—advancing human rights through an inclusive democracy

#### **CHAPTER FOUR**

## Rights empowering people in the fight against poverty

Rights and capabilities as ends and means of escaping poverty

Obligations and accountabilities of the state—and beyond

Resources and economic growth—a means to realizing human rights

Global justice—obligations and responsibilities of state and non-state actors to design a pro-poor global order

Human rights to empower poor people in their fight against poverty

#### **CHAPTER FIVE**

## Using indicators for human rights accountability

Building accountability

Why statistics?

Creating indicators: from development to rights

Respecting, protecting and fulfilling rights

Ensuring key principles and adequate action

Ensuring secure access

Identifying actors

The way forward

Annex Assessing progress in human rights and human development

#### **CHAPTER SIX**

## Promoting rights in human development

Priorities for national action

Priorities for international action

A summary of actions to realize a vision for the 21st century

#### REFERENCES

## **SPECIAL CONTRIBUTIONS**

Human rights and intervention in the 21st century Kofi Annan

Transition to democracy and human rights Olusegun Obasanjo

Universality and priorities Mary Robinson

# **HUMAN DEVELOPMENT INDICATORS**

# Note on statistics in the Human Development Report

# What do the human development indices reveal?

- I. MONITORING HUMAN DEVELOPMENT: ENLARGING PEOPLE'S CHOICES...
- 1 Human development index
- 2 Gender-related development index
- 3 Gender empowerment measure
- 4 Human poverty in developing countries
- 5 Human poverty in OECD, Eastern Europe and the CIS
- 6 Comparisons of human development indices
- 7 Trends in human development and per capita income
- 8 Trends in human development and economic growth
