EXECUTIVE SUMMARY.....	4
ACKNOWLEDGEMENTS.....	6
DEFINITIONS.....	7
INTRODUCTION.....	8
Taking A Rights-Based Approach.....	9
SECTION 1: RESEARCH OVERVIEW.....	11
1.1 Study Goal.....	11
1.2 Study Outputs.....	11
1.3 Research Topics.....	12
1.4 Methodologies.....	12
1.5 Limitations.....	14
1.6 Study Sites.....	18
Cambodia.....	18
Laos.....	19
Vietnam.....	21
Map of research sites.....	22
1.7 Profiles of Participants.....	23
HIV-positive people.....	23
External Migrants.....	24
Internal Migrants.....	25
Health Care Providers.....	26
Service Managers/ Gatekeepers.....	27
Participant Breakdown per Country.....	29
Bokeo Province.....	29
SECTION 2: THE REGIONAL CONTEXT.....	31
2.1 Thailand’s Role.....	32
2.2 The Legal Framework for Mobile People and HIV/AIDS.....	34
Cambodia.....	34
Laos.....	35
Thailand.....	36
Vietnam.....	37
2.3 CARE in the Greater Mekong Subregion.....	38
SECTION 3: PARTICIPANTS’ VIEWS.....	39
3.1 Health-Seeking Behaviour.....	39
Restrictions on Freedom of Choice.....	40
Cost.....	41
Confidentiality.....	43
Convenience.....	44
Word-of-Mouth.....	45
Public or Private?.....	46

3.2	Experiences of Care and Support	46
	Voluntary Counselling and Testing (VCT)	47
	Health Provider Attitudes	50
	Psychosocial Support.....	52
	Services Reported as Available	53
	Gender Dimension of Care & Support	54
3.3	Service Provider Perspectives	57
3.4	Service Managers' and Gatekeepers' Perspective.....	59
3.5	Visualising 'Ideal' Services.....	63
	Mobile Populations.....	63
	Health Care Providers.....	64
	Service Managers and Gatekeepers.....	65
<u>CONCLUSION.....</u>		<u>66</u>
<u>RECOMMENDATIONS.....</u>		<u>67</u>
<u>BIBLIOGRAPHY.....</u>		<u>69</u>
