

## **Table of Contents**

|   |     |
|---|-----|
| EXECUTIVE SUMMARY .....                                       | 4   |
| List of Recommendations .....                                 | 14  |
| CHAPTER I INTRODUCTION .....                                  | 16  |
| A. Background of the Research .....                           | 16  |
| B. Project Implementation .....                               | 19  |
| C. Research as a Project Component .....                      | 22  |
| CHAPTER II THE RESEARCH DESIGN .....                          | 24  |
| A. Background to Design .....                                 | 24  |
| B. Research Team .....  | 24  |
| C. Research Methodology .....                                 | 24  |
| D. Research Sites and Respondent Selection .....              | 26  |
| E. Definition of Terms .....                                  | 30  |
| F. Limitations of the Research .....                          | 31  |
| CHAPTER III RESEARCH RESULTS .....                            | 35  |
| A. Self-Perceptions of Trafficked Victims .....               | 35  |
| B. Who are Susceptible to Trafficking? .....                  | 35  |
| C. How the Children were Trafficked .....                     | 46  |
| D. Crossing the Border .....                                  | 48  |
| E. Inside Thailand .....                                      | 49  |
| F. The Return .....   | 58  |
| G. Post-Return Assistance and Services .....                  | 62  |
| CHAPTER IV DATA ANALYSIS .....                                | 75  |
| A. Trafficked and Not Trafficked .....                        | 75  |
| B. Vulnerability to Trafficking: A Conceptual Framework ..... | 77  |
| C. Profile of the Trafficked Child .....                      | 82  |
| D. People's Perception of the <i>Mecachal</i> .....           | 85  |
| E. Effects of the Trafficking Experiences .....               | 87  |
| F. Review of the Assistance Process .....                     | 89  |
| G. The Situation of Returned and Reintegrated Children .....  | 92  |
| CHAPTER V CONCLUSIONS .....                                   | 95  |
| CHAPTER VI RECOMMENDATIONS .....                              | 100 |
| Glossary of Terms .....                                       | 110 |
| Bibliography .....  | 111 |
| List of Appendices .....                                      | 112 |
