INTRODUCTION	9
I. OVERVIEW OF DUE DILIGENCE FOR RESPONSIBLE BUSINESS CONDUCT	14
Adverse impacts and risk	15
Why carry out due diligence?	16
Characteristics of due diligence – the essentials	16
II. DUE DILIGENCE PROCESS	20
1. Embed responsible business conduct into policies and management systems	22
2. Identify and assess actual and potential adverse impacts associated with the enterprise’s operations, products or services	25
3. Cease, prevent and mitigate adverse impacts	29
4. Track implementation and results	32
5. Communicate how impacts are addressed	33
6. Provide for or cooperate in remediation when appropriate	34
ANNEX: Questions related to the overview of due diligence for responsible business conduct	37
Q1. What are some examples of adverse impacts on matters covered by the OECD Guidelines for MNEs?	38
Q2. How can an enterprise integrate gender issues into its due diligence?	41
Q3. How can an enterprise make decisions with respect to prioritisation?	42
Q4. At what stages of the due diligence process is prioritisation relevant?	45
Q5. How does prioritisation differ for human rights risks than for other adverse impacts?	45
Q6. How can resource constraints be addressed?	46
Q7. How can due diligence be appropriate to an enterprise’s circumstances?	46
Q8. Who are the enterprise’s stakeholders?	48
Q9. What is “meaningful stakeholder engagement”?	49
Q10. When is stakeholder engagement important in the context of due diligence?	50
Q11. How can an enterprise engage with potentially vulnerable stakeholders?	51
Q12. How can enterprises collaborate in carrying out due diligence?	51
Q13. Can collaboration pose risks under competition law?	53

TABLE OF CONTENTS

Questions related to the due diligence process	55
A.1. Embed responsible business conduct into policies and management systems	
Q14. What goes into RBC policies?	56
Q15. What expertise can be drawn upon in developing RBC policies?	56
Q16. Which teams or business units will be relevant to consider when developing and aligning objectives with the enterprise's RBC policies?	57
Q17. What are the distinctions in the role of the board and management in ensuring RBC is embedded?	59
Q18. How can RBC expectations be built into business relationships?	60
A.2. Identify and assess actual and potential adverse impacts associated with the enterprise's operations, products or services	
Q19. What is meant by scoping and how broad should an enterprise's scoping exercise be?	61
Q20. What is meant by sector, product, geographic, and enterprise-level risks?	62
Q21. What are example sources of information for desk-based research?	63
Q22. How might information deficits be addressed?	65
Q23. How can an enterprise assess risks of adverse impacts in its own activities?	65
Q24. How can an enterprise prioritise which of its own operations or business relationships to assess first?	66
Q25. How can enterprises carry out assessments of business relationships prioritised during its scoping?	66
Q26. What can an assessment of business relationships cover and who should conduct these assessments?	67
Q27. When to assess business relationships?	68
Q28. How can enterprises assess business relationships with whom they do not have contractual relationships?	68
Q29. What is meant by adverse impacts that are "caused", "contributed to" by the enterprise or are "directly linked" to its operations, products or services by a business relationship?	70
Q30. Why does the way an enterprise is involved with adverse impacts matter?	72
Q31. How can an enterprise prioritise its actions when seeking to prevent and mitigate adverse impacts across its activities and business relationships?	73

TABLE OF CONTENTS

A.3. Cease, prevent and mitigate adverse impacts

- | | |
|---|----|
| Q32. What is the difference between preventing adverse impacts and mitigating adverse impacts? | 74 |
| Q33. How should an enterprise prevent and mitigate actual or potential impacts it may cause or contribute to? | 75 |
| Q34. How can an enterprise seek to prevent and mitigate actual or potential impacts directly linked to its operations, products or services by a business relationship? | 77 |
| Q35. How can an enterprise modify its operations or activities to prevent and mitigate adverse impacts linked to its business relationships? | 77 |
| Q36. How can an enterprise use its leverage? | 78 |
| Q37. How can a lack of leverage be addressed? | 79 |
| Q38. How can an enterprise support a business relationship in the prevention or mitigation of adverse impacts? | 80 |
| Q39. How can an enterprise approach disengagement? | 80 |

A.4. Track implementation and results

- | | |
|---|----|
| Q40. How can an enterprise seek to prevent and mitigate adverse impacts linked to business relationships with whom it does not have a contractual relationship? | 81 |
| Q41. What information is tracked under due diligence? | 82 |
| Q42. How can an enterprise track implementation and results? | 82 |
| Q43. Who is involved in tracking implementation and results within an enterprise? | 83 |
| Q44. How can an enterprise respond to the results of its tracking? | 84 |
| Q45. How to prioritise tracking activities? | 84 |

A.5. Communicate how impacts are addressed

- | | |
|--|----|
| Q46. What are appropriate forms of communicating publicly and to impacted stakeholders? | 85 |
| Q47. When information is commercially sensitive, how can relevant information still be communicated? | 86 |

TABLE OF CONTENTS

A.6. Provide for or cooperate in remediation when appropriate

Q48. What is the relationship of remediation to due diligence?	88
Q49. What is meant by “remediation” and “remedy”?	88
Q50. How can an enterprise identify appropriate forms of remedy?	88
Q51. What are “legitimate remediation mechanisms”?	89
Q52. What does it mean to “co-operate with legitimate remediation mechanisms”?	90
Q53. In which circumstances are various processes to enable remediation appropriate?	90
Q54. What is the difference between an early warning system and a process to enable remediation?	91
RECOMMENDATION OF THE COUNCIL ON THE OECD DUE DILIGENCE GUIDANCE FOR RESPONSIBLE BUSINESS CONDUCT	92
